CUSTOMS TARIFF OF ROMANIA

As already announced at the first consultation under the Protocol of Accession of Romania (see L/3875, paragraph 9), a customs tariff entered into force in Romania on an experimental basis on 1 January 1974.

The Permanent Mission of Romania has transmitted to the secretariat copies in Romanian of the Customs Tariff[1] and copies in English and French of the Regulations on the Customs Tariff. Copies are available upon request from the secretariat (telephone 34 60 11, extension 4489).

[1]The International Customs Tariffs Bureau is preparing the publication of the tariff in English and French. It is foreseen that the French text will be available at the end of February and the English text shortly thereafter.
