## ISRAEL - REINTRODUCTION OF IMPORT DEPOSIT SCHEME

### Addendum

#### MODIFICATION OF IMPORT DEPOSIT

In a letter dated 25 September 1974, the Permanent Mission of Israel has communicated the following.

On instructions of my authorities I have the honour to inform you that:

Following the increase in the rate of import surcharge from 25 per cent to 35 per cent of the value of the goods imported (as notified on 9 July 1974 in document L/4060), the coverage of the import deposit scheme has been modified as follows:

As of 2 July 1974, the import deposit scheme covers all imported goods bearing duties of 60 per cent and over (25 per cent duty plus 35 per cent import surcharge).

Apart from this modification, the scope of the import deposit scheme remains unchanged.

I would much appreciate if the above information be attached to the documents pertaining to the consultations and examinations of the imports deposit scheme, to be held on 15 October 1974.
