## URUGUAYAN IMPORT SURCHARGES

### Request for Extension of Waiver

#### Addendum

#### Note by the Secretariat

The delegation of Uruguay has deposited with the secretariat, on 10 June 1974, the following documents in connexion with the request for an extension of the Uruguayan waiver on import surcharges:

- (i) a complete list of import surcharges as applied by Uruguay in April 1974;
- (ii) a copy of Schedule XXXI (Uruguay) annotated to show the rates of surcharges and "aforos" as applied in November 1972, as well as the corresponding BTN-SITC nomenclature numbers, and the dates of the laws and decrees relevant to the measures. This information is to be completed later by identification of those products which are subject to more than one surcharge.

These documents are available for consultation at the secretariat pending their reproduction in due course.
