URUGUAY - IMPORT SURCHARGES

Addendum

In connexion with the forthcoming examination by the Balance-of-Payments Committee of Uruguay's request for an extension of its waiver for import surcharges, and in accordance with the terms and conditions set out in the Decision of 24 October 1972 (BISD, 19S/9), the delegation of Uruguay has deposited with the secretariat the following documents:

- Certified copies of the relevant laws and decrees concerning the import surcharges (Spanish, 68 pages);
- A copy of Schedule XXXI (Uruguay) annotated to show the rates of surcharges and "aforos" as applied in November 1972, as well as the corresponding BTN/SITC nomenclature numbers, and the dates of the laws and decrees relevant to the measures (French, 47 pages);
- A complete list of import surcharges as applied by Uruguay in April 1974. (Spanish, 163 pages. The nomenclature used by the Uruguayan authorities for import surcharge purposes does not correspond to the BTN/SITC nomenclature or numbers);
- 1972 Imports into Uruguay, Volume and Value; classified (a) by order of value and (b) by merchandise under "import surcharge" nomenclature (Spanish, 51 pages).

These documents are available for consultation at the secretariat; photocopies can be made on request.
