ITALY - IMPORT DEPOSIT

Communication from the Commission of the European Communities to the CONTRACTING PARTIES

The following communication dated 2 August 1974 was received by the secretariat.

I have the honour to advise you, for the information of the CONTRACTING PARTIES, that by a Decision of the Commission of the European Communities dated 24 July 1974, the amount of the prior import deposit in Italy has been reduced as from 29 July 1974 to 25 per cent of the c.i.f. value for:

- products in the bovine meat sector, other than live animals of a weight not exceeding 300 kgs. and intended for fattening;
- and live pure-bred breeding animals of the bovine species falling within sub-heading 01.02 A I of the common customs tariff.

This communication replaces the text of the last paragraph of the letter that I had the honour to address to you on 25 July last concerning certain modalities for application of the prior import deposit in Italy.
