Notifications by Contracting Parties

1. In airgram GATT/AIR/1106 of 1 July 1974, contracting parties were invited to notify by 15 August 1974, for the purpose of item (i)(c) of the plan for the annual review of Poland's trade with contracting parties¹, action taken under paragraph 3 of the Protocol for the Accession of Poland² to remove remaining quantitative restrictions on imports from Poland.

2. The Council, at its meeting on 28 April 1970, approved guidelines for the form and content of the notifications. These guidelines were reproduced in GATT/AIR/1106.

3. Notifications have been received from:

Argentina	Malta
Australia	Norway
Austria	South Africa
European Economic Community	Switzerland
Hungary	United States

These notifications are reproduced hereunder.

4. Contracting parties which have not yet submitted notifications are invited to do so without delay.³ In this context it will be recalled that at the sixth annual review in October 1973 (BISD, Twentieth Supplement, paragraph 11, pages 211-212), the Working Party agreed to recommend that notifications should be made available at least six weeks before the consultations. The seventh annual review is expected to commence on 10 October 1974.

²BISD, Fifteenth Supplement, page 47

³Further notifications will be reproduced as addenda to this document.

NORWAY

There has been no change in the Norwegian restrictions on imports from Poland in the period 30 June 1967 - 1 January 1974.

A table over Norwegian imports from Poland in 1972 and 1973 of products subject to quantitative restrictions is annexed.

As will appear from this table, there were in 1973 increased quotas for a number of textile items.

Furthermore, in the Trade Protocol recently concluded between Norway and Poland, the textile quotas for 1974 were increased from NKr 6.4 million to NKr 8 million - an increase of NKr 1.6 million, or 25 per cent. At the same time a quota for ladies stockings to the amount of NKr 600,000 was abolished.
