The following joint communication dated 5 August 1975 has been received from the Permanent Missions of Australia and Japan.

GATT document L/4149/Add.1 dated 4 June 1975, contains a communication from the Governments of Australia and Japan agreeing to an extension of the ninety-day period under GATT Article XIX with respect to consultations on Australia's Article XIX action on motor vehicles.

These consultations, however, will not be concluded prior to the expiration of the agreed extension of ninety days. Therefore, the Governments of Australia and Japan have agreed that their reciprocal rights and obligations under the General Agreement shall be maintained as though the ninety-day period set forth in Article XIX:3 shall begin to run as from 30 July 1975.
