EUROPEAN COMMUNITIES - EMERGENCY ACTION ON TUNNY AND FROZEN HAKE FILLETS

The following communication, dated 7 March 1975, has been received from the Commission of the European Communities.

I have the honour to advise you, for the information of the CONTRACTING PARTIES, that the Commission of the European Communities has decided, by its Regulation (EEC) No. 460/75 of 26 February 1975, to suspend for the period 27 February to 17 March 1975 imports into France of the following products:

- tunny for the industrial manufacture of products falling within heading No. 16.04 (subheading 03.01 B I c) 1 of the common customs tariff).
- frozen hake fillets (subheading ex 03.01 B II b) 7 of the common customs tariff).

This action constitutes an exception of a temporary character from the normal liberalization régime applied by the EEC to imports of these products.

The reason for this temporary action is the critical situation that has been found to exist in the market of one member State of the Community for these products.

The Commission declares its readiness to enter into consultation with contracting parties having a substantial interest as exporters to the Community market that may wish to examine this action with it.
