SUBMISSION OF LOOSE-LEAF SCHEDULES

Schedule LXXII and LXXII bis - European Communities

The secretariat has received the draft Schedule LXXII and LXXII bis - European Communities (in English and in French) prepared in accordance with the requirements of the loose-leaf system. Two copies, in English and in French, are being sent to each contracting party.

In addition, the following communication has been received from the delegation of the Commission of the European Communities.

In preparing this schedule, the European Communities have integrated the bindings resulting from the negotiations carried out in 1973 following the first enlargement. The indication G/73 has been used as a reference for the results of those enlargement negotiations.

General and information notes, together with a note explaining the abbreviations and signs used in the loose-leaf presentation, are also attached.

This schedule is presented for certification by the CONTRACTING PARTIES for reasons of transparency. Indeed, as indicated in document TAR/15 of 20 May 1981 the concessions in Schedule LXXII and LXXII bis will essentially be included in the offer by the Communities of Ten.

Any modifications resulting from the Article XXIV:6 negotiations currently proceeding will be notified in due course according to the customary GATT procedures.

If no objection is notified to the secretariat within three months from the date of the present document, the schedule of the European Communities will be deemed to be approved and will be formally certified and published in loose-leaf form.
