Notes on Table

1. Gross Output	
equals	sales and work done
plus	changes in stocks of work in progress and finished products
2. National Accounts Value Added	
equals	Gross output (net of stock appreciation for work in progress and finished products)
less	consumption of materials, supplies and industrial services (net of stock appreciation for materials/supplies and goods for resale)
plus	other receipts (except quota transfer receipts)
less	miscellaneous operating expenses (except interest payments and quota transfer payments)
3. Gross Additions to Fixed Assets	
equals	acquisition of fixed assets (land and buildings, plant and machinery, other fixed assets)
less	disposal of fixed assets
4. Sales and work done	
equals	sales of goods produced
plus	machinery produced for own use
plus	resales of goods in same condition as purchased
plus	receipts for work performed or industrial services rendered to others
5. Other receipts	
equals	rents received
plus	quota transfer receipts
plus	income from other sources
6. Miscellaneous operating expenses	
equals	rents and rates
plus	interest payments on operating loans
plus	quota transfer payments
plus	other operating expenses
