SUBMISSION OF LOOSE-LEAF SCHEDULES

Schedule XXX - Sweden

Revision

The secretariat has received from the Permanent Mission of Sweden a revised version of Schedule XXX - Sweden in loose-leaf form which contains the agreed footnote concerning repairs of civil aircraft products¹ (AIR/M/10, para. 15) and reflects the corrections notified in documents TAR/12/Add.1 & 2 and TAR/23 + Add.1. Column 7 does not indicate INRs on earlier concessions (historical INRs); Sweden is, however, prepared to insert such INRs in the Schedule upon specific request to that effect by contracting parties concerned.

Two copies of the revised version of Schedule XXX - Sweden are being sent to each contracting party.

If no objection is notified to the secretariat within three months from the date of the present document, the Schedule of Sweden will be deemed to be approved and will be formally certified and published in loose-leaf form.

¹Duty free or duty exempt treatment is provided for all repairs on civil aircraft in accordance with Article 2.1.2 of the Agreement on Trade in Civil Aircraft, (the term "repairs" includes maintenance, rebuilding, modification and conversion).
