### SUBMISSION OF LOOSE-LEAF SCHEDULES

#### Schedule LX - Republic of Korea

##### Revision

A revised version of Schedule LX - Republic of Korea in loose-leaf form has been prepared in order to take into account some changes resulting from comments made by a delegation. Apart from slight changes in presentation, the revised version contains a modification of the description of item 4403 03 (wood in the rough). In addition, when a whole item is bound, the item number has been underlined, as suggested in document TAR/W/9. Two copies of the revised Korean loose-leaf schedule are being sent to each contracting party.

If no objection is notified to the secretariat within three months from the date of the present document, the schedule of Korea will be deemed to be approved and will be formally certified and published in loose-leaf form.
