Dear Mr. Chairman,

I have the honour to enclose herewith the information on restrictions imposed on imports of textile and clothing products, received from the competent Turkish authorities in response to your letter of 2 May 1985. You will note that the prohibitions notified in our previous submissions have been lifted under the 1985 import regime. Products affected by these prohibitions have been either completely liberalized or moved to the list of items subject to licences.

Please accept the assurances of my highest consideration.
