SIXTH CERTIFICATION OF CHANGES TO SCHEDULES

Schedule XIV - Norway

The following communication, dated 24 April 1986, has been received from the Permanent Mission of Norway.

Pursuant to Article 2 of the Agreement on Trade in Civil Aircraft, I have the honour to submit the list of products¹ to be annexed to Schedule XIV - Norway, and to be included in the Sixth Certification of Changes to Schedules.

The present list replaces the list circulated in document L/5024 of 16 September 1980 and reflects the decision of 22 March 1984 to extend the Annex to the Agreement on Trade in Civil Aircraft.

The extension of the product coverage has been implemented by inclusion of the full extended list as annex E in the Norwegian Customs Tariff and took effect on 1 January 1985.

The secretariat is requested to forward a copy of this letter to the contracting parties.

If no objection is notified to the secretariat within three months from the date of the present document, the rectifications to Schedule XIV - Norway will be deemed to be approved and will be reflected in the Sixth Certification of Changes to Schedules.
