SUBMISSION OF LOOSE-LEAF SCHEDULES

Schedule XIII - New Zealand

Revision

The following communication, dated 16 June 1986, has been received from the Permanent Mission of New Zealand.

Attached is an amended version of New Zealand's draft consolidated Schedule XIII. The amendments have been made in response to comments received from interested contracting parties since the circulation of Schedule XIII in GATT document TAR/5.

Also attached is a list of the items that have been amended or in respect of which certain clarifications were sought. Explanatory comments are contained with each item.

We should be grateful if the amended Schedule, and the covering comments, could be circulated to interested parties. In light of the action that New Zealand has now taken, we would hope it would be possible to proceed with early certification of Schedule XIII - New Zealand.

Two copies of the revised version¹ of Schedule XIII - New Zealand are being sent to each contracting party.

If no objection is notified to the secretariat within three months from the date of the present document, the Schedule of New Zealand will be deemed to be approved and will be formally certified and published in loose-leaf form.
