Note by the Secretariat

Addendum

INTERNATIONAL TELECOMMUNICATION UNION

Following the presentation of "The Missing Link" at the meeting on services of 2 June 1986, the International Telecommunication Union has made available to the secretariat one copy each, and a number of order forms, of the following publications:

- the Washington Round¹
- Information, Telecommunications and Development
- USERCOM 85 Proceedings¹

These publications can be consulted in, and the order forms collected from, Room 1062, Centre William Rappard.
