AUSTRIA - SPECIAL MEASURES ON HANDMADE PRODUCTS

Notification by Austria

Addendum

In a communication dated 1 February 1988, the Permanent Mission of Austria has notified a new version of the list of products falling under the Austrian special tariff régime for handicraft products originating in developing countries. This new version is a consequence of the introduction of the Harmonized System Nomenclature by Austria with effect from 1 January 1988.

On 1 January 1988, the transposition into the Harmonized System of the list of products falling under the Austrian special tariff régime for handicraft products originating in developing countries entered into force.

The new version of this list is attached, together with annotations intended to facilitate the understanding of the list where the product description is limited to "Other".

It might be appropriate to recall the main principles of the Austrian special tariff régime for handicraft products originating in developing countries. Handicrafts covered by this régime are listed in two separate schedules. The textile schedule comprises articles falling within 47 four-digit heading Nos. of the Harmonized System, the schedule for other handicraft products comprises articles falling within 75 four-digit heading Nos. of the Harmonized System. For the non-textile articles, duty-free treatment is provided for imports from all beneficiary countries. For textile handicrafts, imports from least developed beneficiaries are granted duty-free treatment also, whereas for imports from other developing countries a 50 per cent tariff reduction is granted. In comparison with the Austrian scheme of generalized preferences, the Austrian handicraft régime offers additional benefits, also for least-developed countries.

It should be recalled that preferential tariff rates for handicrafts are applied only for imports from developing countries which have concluded a bilateral agreement with Austria to this effect.

As at 1 January 1988, the following countries may benefit from the special tariff régime for handicraft products on the basis of bilateral agreements, least developed countries being specially marked: Afghanistan, Argentina, Bangladesh, Bolivia, Bulgaria, Chile, China, Costa Rica, Cuba, Cyprus, Ecuador, Egypt, India, Indonesia, Iraq, Israel, Kenya, Republic of Korea, Malawi, Malaysia, Malta, Mexico, Morocco, Nepal, Pakistan, Peru, Philippines, Romania, Rwanda, Singapore, Sri Lanka, Thailand, Tunisia, Turkey, Uruguay and Yugoslavia.

According to Austrian legislation and the respective bilateral agreements, "handicraft products" are defined as products the major part of which is hand-made; the use of machine-made raw material is therefore not generally excluded. When using machines or apparatus in the production, only products where manpower is used as source of power can be classified as handicraft products. The use of other sources of energy, especially of hydropower or of electric energy, precludes classification as handicraft products.

Annotations to Annexes A and B

The description of products follows the six-digit level of the Harmonized Commodity Description and Coding System (HS). In cases where the sequence of the subheading numbers corresponds to that of the HS, no further explanation is necessary. In cases, however, where only some of the HS-subheadings numbers are incorporated in the above annexes, the scope of the description "Other" needs further clarification. The same applies in cases where ex-positions are incorporated in the annexes which are formulated in accordance with the terminology of the Austrian Customs Tariff. With a view to facilitating the use of this notification, in particular where the description of products is limited to "Other", the following notes indicate the scope of the respective items.
