Permanent Mission of Uruguay to GATT
Geneva

Geneva, 15 June 1988

Sir,

I have the honour to refer to your Note TS/140-1.1 of 11 April 1988. I wish to inform the Textiles Surveillance Body that Uruguay does not apply unilateral quantitative restrictions of any kind and has no type of foreign-exchange controls or controlled imports in any form for any textiles product - whether caused by priority development needs or exclusive or special privileges for trading enterprises, whether public or private, or any other kind of restriction on imports of textiles and clothing.

I also wish to inform you that Uruguay has bilateral agreements in force with the United States of America and with Canada under which quantitative restrictions are established limiting Uruguayan exports of certain woven fabrics and garments of wool, in the case of the former, and of certain woven fabrics of combed wool, in the case of the latter.

Accept, Sir, the renewed assurances of my highest consideration.
