NOTIFICATION

The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: <u>CZECHOSLOVAKIA</u>
2. Agency responsible: Federal Office for Standards and Measurement
3. Notified under Article 2.5.2 [X], 2.6.1 [], 7.3.2 [], 7.4.1 [], Other:
4. Products covered (HS/CCCN where applicable, otherwise national tariff heading): Electronic measuring instruments (ex HS 90)
5. Title: CSN 35 6505. Electronic Measuring Instruments. General Technical Conditions
6. Description of content: The standard contains general technical conditions for electronic measuring instruments. In comparison with the requirements of IEC 359, its scope is substantially broader since it includes requirements concerning design, operational characteristics, labelling and packaging. In addition, the instruments are classified into five categories as to climatic resistance, including values for ambient conditions; according to their mechanical resistance, the instruments are divided into four groups. CSN 35 6505 establishes methods and procedures for checking metrological, mechanical and operational characteristics.
7. Objective and rationale: Assurance and control of properties of electronic measuring instruments
8. Relevant documents: IEC 359(1987)
9. Proposed dates of adoption and entry into force: 1 January 1991
10. Final date for comments: 30 June 1990
11. Texts available from: National enquiry point [X] or address of other body:
