INFORMATION CONCERNING CERTIFICATION OF ORIGIN

Addendum

Notification by Mexico

In pursuance of Annex A of the Protocol, the delegation of Mexico has notified, for the information of the participating countries, additions to the list of Mexican authorities entitled to issue certificates of origin. Accordingly, page 54 of document CPC/10, as modified by CPC/10/Add.3, 8, 10/Corr.1, 14, 15, 17, 21 and 33 should be supplemented by the following pages. The notification submitted by Mexico is reproduced hereunder.

I have the pleasure to transmit herewith the lists giving the names, positions and assignments of the Mexican officials entitled to issue certificates of origin, in accordance with the relevant provisions of the Protocol Relating to Trade Negotiations among Developing Countries, the certificates required by LAIA, as well as any other form issued by the authorities of my country to certify the origin of export goods. A copy of the authorized signature, facsimile and stamp of those officials is likewise attached.

Annex A lists the officials newly empowered to issue certificates of origin, and Annex B updates the list of officials currently entitled to do so; consequently, the lists in Annexes A and B together form the updated directory of the 94 Mexican officials authorized to issue certificates of origin.

Finally, Annex C lists the names and assignments of the officials no longer entitled to perform such duties.

I should be most obliged if you would kindly circulate this information to Member States in accordance with the usual practices.
