INFORMATION ON IMPLEMENTATION AND ADMINISTRATION OF THE AGREEMENT

Legislation of Poland

Supplement

Pursuant to Article 16:6(b) of the Agreement on Implementation of Article VI of General Agreement on Tariffs and Trade, I wish to advise you that on 20 July 1991 the Polish Parliament (the Diet) enacted the Law which amended some provisions of Customs Law of 28 December 1989, including anti-dumping procedures. The amendments were promulgated in Dziennik Ustaw 1991, No. 73, item 320 and entered into force on 19 August 1991.

Under the provisions of the Customs Law, as amended, the Ministry of Foreign Economic Relations administers anti-dumping investigations. Consequently, in Chapter 7 of the Customs Law the words "the President of the Main Customs Office" should be substituted by the words "the Minister of Foreign Economic Relations" in all instances.
