### COMMUNICATION FROM THE DELEGATION OF SWEDEN

The following communication dated 21 December 1992 from the delegation of Sweden has been received by the GATT secretariat with the request that it be transmitted to the members of the Committee on Government Procurement.

Referring to Article IX:5(a) of the Agreement on Government Procurement, I have the honour to inform the Committee on Government procurement that as from 1 January 1993, the Agency for Administrative Development will not administer the procurement of computers and equipment related thereto, with the exception of call-off agreements. In the future, government entities themselves will be responsible for their procurement of such products.
