ARTICLE XIX - ACTION BY AUSTRIA

Certain types of Cement and Certain Preparations Containing Cement

Addendum

The following communication, dated 2 April 1993, has been received from the Permanent Mission of the Czech Republic.

I refer to document L/6899/Add.4, dated 10 March 1993, in which Austria notified the contracting parties of its decision to take emergency action under Article XIX in respect of imports of certain types of cement and certain preparations containing cement originating in certain countries, including the Czech Republic, and that Austria is prepared, in accordance with the requirement of Article XIX of the GATT, to afford the contracting parties having a substantial interest in exporting the concerned products to the Austrian market to consult in respect of this action.

On instructions of my Government, I wish to request that consultations under the provisions of Article XIX of the General Agreement be held between the Czech Republic and Austria at a date and venue to be mutually agreed upon.
