ARGENTINA - ESTABLISHMENT OF A NEW SCHEDULE LXIV

Request for Extension of Waiver

The following communication, dated 21 May 1993, has been received from the Permanent Mission of Argentina.

The Permanent Mission of the Argentine Republic has the honour to refer to the CONTRACTING PARTIES' Decision of 3 December 1992¹ granting Argentina a temporary waiver as its obligations under Article II of the General Agreement until 30 June 1993 to enable it to apply the Harmonized Commodity Description and Coding System.

In this connection, the Government of Argentina has submitted to the Secretariat part of the information required under Article XXVIII of the General Agreement. However, for technical reasons it has not yet been able to complete the preparation of all the necessary information, a process which it hopes to finalize in the coming weeks.

The Permanent Mission of Argentina therefore requests the contracting parties to extend the above-mentioned waiver until 31 December 1993 so as to enable it to complete the preparation of the information that remains to be submitted.
