### MOROCCO - ESTABLISHMENT OF A NEW SCHEDULE LXXXI

#### Extension of Time-Limit

The following communication, dated 2 June 1993, has been received from the Permanent Mission of Morocco.

---

With reference to the CONTRACTING PARTIES' Decision dated 20 July 1992 suspending for the Kingdom of Morocco the application of the provisions of Article II of the General Agreement until 30 June 1993 in order to enable it to implement the Harmonized System, I have the honour to inform you that owing to technical difficulties that have arisen during the implementation of the overall tariff reform, our country has been unable to submit the documentation required under the procedure established by the Council on 12 June 1983 (BISD 30S/17). It therefore requests a temporary exemption from its obligations under Article II of the General Agreement until 31 December 1993, and naturally undertakes to submit the required documentation as rapidly as possible.

It should be noted that the transposition will not modify in any way Morocco's undertakings with regard to the other contracting parties.
