ZAIRE - RENEGOTIATION OF SCHEDULE LXVIII

Extension of Time-Limit

The following communication dated 3 June 1993 has been received from the Permanent Mission of Zaire.

As it will be impossible to complete the ongoing negotiations and consultations between the Government of Zaire and contracting parties with a view to the establishment of the new Schedule of tariff concessions within the time-limit of 30 June 1993, the Permanent Mission of Zaire requests the contracting parties kindly to extend the Decision (L/6620) until 31 December 1993 in order to enable the Government of Zaire to conclude the negotiations.
