

GENERAL AGREEMENT ON

TARIFFS AND TRADE

RESTRICTED

TRE/11/Corr.1*

14 June 1993

Special Distribution

Group on Environmental Measures and International Trade

REPORT OF THE MEETING HELD ON 6-7 MAY 1993

Corrigendum

On page 11, line 10 of paragraph 50 should read "He understood that the determination of "like product" revolved around the physical characteristics of a product and factors such as direct substitutability and competitiveness, and not how and from what a product was made".

* English only/anglais seulement/inglés solamente.
