ARTICLE XIX - ACTION BY AUSTRIA

Certain Types of Cement and Certain Preparations Containing Cement

Addendum

The following communication, dated 29 June 1993, has been received from the Permanent Mission of Romania.

Reference is made to document L/6899/Add.4, dated 10 March 1993, by which Austria notified the contracting parties of its decision to take emergency action under Article XIX in respect of imports of certain types of cement and certain preparations containing cement, and its readiness, in accordance with Article XIX of the GATT, to enter into consultations in respect of this action with the contracting parties having a substantial interest in exporting the above-mentioned products to the Austrian market.

Following the instructions of my Government, I wish to take the opportunity given by the provisions of Article XIX of the General Agreement and request for consultations between Romania and Austria on that matter at the date and place to be mutually agreed.
