ACCESSION OF SLOVENIA

Communication from the Republic of Slovenia

The following communication, dated 5 July 1993, has been received from the Ministry of Economic Relations and Development of Slovenia.

I enclose the "Statistical data concerning the imports of the Republic of Slovenia by tariff lines and by partner countries for the year 1992"¹.

The above material is available for contracting parties who stated the intention to enter into tariff negotiations with Slovenia.

¹Available for consultation in the Office of the Special Adviser to the Director-General, Assistant Director-General, Room 2017.
