I have the honour to express the wish of the Republic of Croatia to become a contracting party to the General Agreement on Tariffs and Trade on the basis of Article XXXIII of the General Agreement.

The Republic of Croatia is willing, as well as committed, to cooperate with you and all relevant bodies of GATT and offer all the information that may be required in connection with the Republic's foreign trade relations.

We would appreciate if our aforementioned wish could be proposed as one of the agenda items of the next meeting of the Council of Representatives on 27 October 1993.

The request by Croatia will be considered by the Council at its meeting on 27 October 1993.
