ACCESSION OF UKRAINE

The following communication from the Government of Ukraine was received by the Director-General on 30 November 1993.

On behalf of the Government of Ukraine I have the honour to inform you that the Ukrainian Government took the decision, in accordance with the Bill N730, 15 September 1993, to become a contracting party to the General Agreement on Tariffs and Trade on the basis of Article XXXIII of the General Agreement.

Ukraine is willing, as well as committed, to communicate to you and all relevant bodies of GATT all the information that may be required in connection with Ukraine's foreign trade relations.

The request by the Government of Ukraine will be considered by the Council at its meeting on 17 December 1993.
