BOLIVIA - ESTABLISHMENT OF A NEW SCHEDULE LXXXIV

Extension of Time-Limit

The following communication, dated 3 December 1993, has been received from the Permanent Mission of Bolivia.

The Permanent Mission of Bolivia to the United Nations and other international organizations at Geneva presents its compliments to the Director-General of the General Agreement on Tariffs and Trade (GATT) and refers to the Decision adopted by the CONTRACTING PARTIES on 3 December 1992¹, which suspended the application of the provisions of Article II of the General Agreement in respect of Schedule LXXXIV of Bolivia until 31 December 1993.

The competent authorities in Bolivia are making every effort to provide the documentation required for renegotiations under Article XXVIII of the General Agreement.

The Government of Bolivia is doing everything possible to complete the submission of the documentation required on transposition of its Schedule to the Harmonized System, according to the guidelines laid down, so as to circulate it as soon as possible to the contracting parties. It is expected that the documentation will be submitted in February 1994 at the latest.

In order to allow Bolivia to hold consultations with interested contracting parties, pursuant to paragraphs 1-3 of Article XXVIII, if necessary, the Government of Bolivia requests a temporary extension until 30 June 1994 of the waiver of its obligations under Article II of the General Agreement.
