5.	Title and number of pages of the notified document: Regulation on the Delivery of French AOC Wines - New Vintage 1993 (4 pages; only available in Dutch)
6.	Description of content: French AOC wines, new vintage. This Regulation prohibits traders to deliver French AOC wines (new vintage) to non-wine traders before the third Thursday of October of the vintage year and possess the same before the Monday prior to the third Thursday of October. Provisions are also laid down to regulate the bottling and packing of AOC local wines (new vintage) during the intermediate period.
7.	Objective and rationale: This rule enables Dutch traders to import French local wines before the date stipulated by the French legislation relating to the marketing of these wines. This rule is necessary as France allows the early transport of AOC wines to the Netherlands only where the Netherlands has taken the necessary steps to make French AOC wines (new vintage) available on terms similar to those contained in French legislation.
