**ACCESSION OF ESTONIA**

The following communication from the Prime Minister of the Republic of Estonia was received by the Director-General on 8 March 1994.

---

I have the honour to express the wish of the Republic of Estonia to accede to the General Agreement on Tariffs and Trade under Article XXXIII of the General Agreement.

The Government of Estonia hopes that, in accordance with the relevant procedures, a working party will be set up to discuss Estonia's accession to the GATT. Estonia, for its part, is ready to participate in such discussions.

The representative of Estonia has also handed over to the Director-General the Memorandum on the Foreign Trade Régime of Estonia. This text will be circulated shortly. The request for accession submitted by the Government of Estonia will be considered by the Council at its meeting on 23-24 March 1994.
