GENERALIZED SYSTEM OF PREFERENCE

Notification by Austria

Addendum

In a communication dated 17 March 1994 the Permanent Delegation of Austria has notified the following recent changes of the GSP-scheme of Austria.

As from 10 July 1993, Austria has fully aligned the GSP-rules of origin for petroleum products with those recently introduced by the EEC.

As a consequence of the already applied free trade agreements between the EFTA States and the following preference-receiving countries, these countries will be eliminated from the list of beneficiaries with effect from:

1 February 1994 - Rumania
1 March 1994 - Bulgaria
1 April 1994 - Hungary
15 May 1994 - Poland
