ARRANGEMENT REGARDING INTERNATIONAL TRADE IN TEXTILES

Notification transmitted under Articles 7 and 8

Extension and modification of the agreement between
Canada and the Philippines

The Textiles Surveillance Body received a notification under Article 4 from Canada of an extension and modification of its agreement with the Philippines for the period 1 January 1993 to 31 December 1994.¹

The TSB decided to transmit the text of the notification to participating countries under Articles 7 and 8, as the Philippines had not as yet accepted the 1993 Protocol maintaining in force the Arrangement.²

¹The bilateral agreement, amendment and a previous extension are contained in COM.TEX/SB/1384, 1425 and 1735.

²For a general observation regarding this notification, see paragraph 12 of COM.TEX/SB/1900.

Canada-Philippine Textile and Clothing Consultations
Agreed Record of Discussions

1. Delegations representing the Government of Canada and of the Government of the Republic of the Philippines met on 23-24 September 1992, in Ottawa, to discuss the extension of the Memorandum of Understanding between the Government of Canada and the Government of the Republic of the Philippines relating to the export from the Philippines of certain textiles and textile products for import into Canada ("the MOU"), and its conversion to an arrangement based on the Harmonized System ("the HS").
2. The two delegations had detailed discussions on the HS structure and exchanged views on the matter of extending the MOU beyond 31 December 1992. They agreed to extend the expiry date of the MOU to 31 December 1994. They agreed that Annexes I and II attached would replace Annexes I and II in the current MOU. The extension of the MOU applies to all terms and conditions in the MOU, including growth rates and flexibility provisions.
3. The two delegations agreed that this extension would be without prejudice to any changes that may be negotiated in the Uruguay Round governing textile trade beyond 1992. They agreed to consult at each other's request on any matter arising from this Agreed Record especially on difficulties arising as a result of the implementation of the HS.
4. This Agreed Record will become effective on 1 January 1993 subsequent to an exchange of letters between the two Governments confirming their acceptance of these arrangements.
