Agreed Record of Discussions

1. Delegations representing the Governments of Canada and of the Republic of Korea met on 26 June 1992, in Seoul pursuant to the request by Canada for consultations under paragraphs 28 and 29 of the Memorandum of Understanding between the Government of Canada and the Government of the Republic of Korea relating to the export from Korea of certain textiles and textile products for import into Canada (MOU), and under Article 3 of the Arrangement Regarding International Trade in Textiles, relative to the export from Korea of acetate filament fabric.
2. The two delegations agreed that exports from Korea of acetate filament fabric to Canada would be subject to the following arrangements. These arrangements will apply to "Acetate filament fabric, containing 85% or more by weight of acetate filament yarn". This product is classified under the following headings of the Harmonized Commodity Description and Coding System (H.S): 5408.21, 5408.22, 54.08.23, 54.08.24. Agreed Record of Discussions

1. Delegations representing the Governments of Canada and of the Republic of Korea met on 25-26 June 1992 in Seoul, to discuss the conversion of the Memorandum of Understanding between the Government of Canada and the Government of the Republic of Korea relating to the Export from Korea Certain Textiles and Textile Products into Canada (MOU) to an arrangement based on the Harmonized Commodity Description and Coding System (HS).

2. The two delegations agreed that, should the MOU be extended beyond its expiry date of 31 December 1992, the attached Annexes I and II will, for purposes relating to the extension of MOU, replace the current Annexes I and II and provide the basis for any discussions relating to this extension. They agreed that in the context of this conversion of the MOU to the HS, the 1993 restraint level for category 35, polyester filament fabric, would be increased by 38,000 kilograms.

3. The two delegations agreed that this conversion is without prejudice to any discussion on the extension of the MOU beyond its expiry date of 31 December 1992.

Note Number: 28

The Canadian Embassy presents its compliments to the Ministry of Foreign Affairs of the Republic of Korea and has the honour to refer to the Memorandum of Understanding between the Government of Canada and the Government of the Republic of Korea relating to the export from Korea of certain textiles tile textile products for import into Canada (MOU).

In light of the continued delay in the completion of the Uruguay Round of Multilateral Trade Negotiations (MTN), it is clear that the MTN results on textiles and clothing will not be implemented on 1 January 1993, nor has the Textiles Committee of the GATT taken a decision on the extension of the Arrangement Regarding International Trade in Textiles (MFA) beyond its expiry date of 31 December 1992. Under these circumstances, there is already considerable uncertainty among producers, exporters and importers in Canada and Korea with respect to the rules which will govern our bilateral trade in textiles and clothing in 1993.

In order to alleviate this uncertainty and to provide the trade with a predictable environment in which to plan its activities, the Canadian authorities propose that the MOU be extended until 31 December 1993, or if Korean authorities are agreeable, to 31 December, 1994. This extension would apply to all terms and conditions of the MOU, including growth rates and flexibility provisions; it would also be without prejudice to any changes that may be required to be implemented as a result of a successful conclusion of the Uruguay Round. Therefore, in the event that the MTN results are implemented in 1994, the second year of this extension would be superseded by the restraint structure contained in the MTN agreement.

In the event that the Korean authorities are in agreement with this proposal, the Canadian authorities would propose that this note along with the reply from the Korean authorities constitute an agreement extending the MOU until the date on which we mutually agree.

The Canadian Embassy avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the Republic of Korea the assurance of its highest consideration.
