AGREED RECORD OF DISCUSSIONS

1. Delegation of the Government of Canada and of the Government of the Republic of India met on 30 November and 1-2 December 1992 in New Delhi to discuss: (a) the extension, beyond 31 December 1992, of the Memorandum of Understanding between the Government of Canada and the Government of the Republic of India relating to the Exports from India of Certain Textiles and Textile Products for Import into Canada (the "MOU"); and (b) the conversion of the MOU to an arrangement based on the Harmonized System (the HS) to take effect on 1 January 1993.
2. The two delegations agreed to an extension of the MOU for a period of one year, beyond 1 January 1993 and that this MOU would be converted to HS terminology and categorization. Annex I, attached hereto, thus constitutes the framework of the MOU, within which the annual restraint levels, growth rates and flexibility provisions are set out. For the purpose of classifying textiles and textile products in the appropriate HS category, the definitions and notes set out in Annex II, attached, will apply with effect from 1 January 1993.
3. The extension of the MOU is without prejudice to any change which may be made to the Arrangement Regarding International Trade in Textiles from 1 January 1993. Both sides reserve the possibility of requesting consultations to review the MOU in the event of such changes in the arrangement.
4. This agreement will cease to have effect from the date the Uruguay Round transition arrangement for integration of the textile sector into the GATT comes into force.

Done at New Delhi on 2 December 1992.

AGREED RECORD OF DISCUSSIONS

1. Delegations of the Government of Canada and of the Government of India met on 28 and 31 January 1994 in Ottawa to discuss: (a) the extension, beyond 31 January 1994, of the Memorandum of Understanding between the Government of Canada and the Government of India relating to the Exports from India of Certain Textile and Textile Products for Import into Canada (the "MOU"); and (b) the request by Canada for consultations under paragraphs 29-33 of the MOU concerning exports of underwear from India.
2. (a) The two delegations agreed to an extension of the MOU. The term of this agreement will be the period from 1 January 1994 through 31 December 1994.

(b) Should the Uruguay Round transition arrangement for integration of the textile sector into the GATT not come into force by 1 January 1995, this agreement will be extended for a second year commencing on 1 January 1995. However, any such extension of this bilateral agreement shall be brought into conformity with any successor to the current Protocol of Extension to the MFA if changes are made therein. This extension applies to all terms and conditions contained in the MOU.
3. The two delegations were unable to agree on a restraint level regarding the call on underwear by Canada. In view of the outcome of these discussions, the interim restraint for the MOU year 1994 is established at 3,072,349 units, in accordance with paragraph 29 (h) of the MOU. For this category, swing of 7 per cent, carryover of 11 per cent, carryforward of 6 per cent and combined flexibility of 18 per cent will be available. The conversion factor will be 0.5 square metres per unit.
4. The two delegations agreed that effective 1 January 1994, Annex I to this Agreed Record will replace Annex I of the MOU.

No. EPT0244

The Department of Foreign Affairs and International Trade Canada presents its compliments to the Indian High Commission and wishes to refer to the Agreed Record of 31 January 1994 relating to the arrangement regarding International Trade in Textiles (MFA) and the 1994 interim restraint on underwear.

During continuing talks regarding our call on underwear, an agreement was reached on a restraint level of 5,000,000 units for category 9.0 for the MOU year 1994. For this category, growth of 6 per cent, swing of 7 per cent, carryover of 11 per cent, carryforward of 6 per cent and combined flexibility of 18 per cent will be available. The conversion factor will be 0.5 square metres per unit. This subcategory will be added to Annex I of the current MOU as Agreement Item No. 9. This Agreement Item is not included in Group A.

The Canadian Authorities propose that this note together with the reply from the Indian Authorities confirming their acceptance of the revised Annex I shall constitute an amendment to the MOU which shall be effective 1 January 1994.

The Department of Foreign Affairs and International Trade Canada avails itself of the opportunity to renew to the Indian High Commission the assurances of its highest consideration.
