Canada-Pakistan Textile and Clothing Consultations

Agreed Record of Discussions

1. Delegations representing the Government of Canada and the Government of the Islamic Republic of Pakistan met on 8-9 December 1993, in Ottawa, to discuss the extension of the Memorandum of Understanding between the Government of Canada and the Government of the Islamic Republic of Pakistan relating to the export from Pakistan of certain textiles and textile products for import into Canada (MOU).
2. The two delegations agreed to extend the MOU for a 24 month period to 31 December 1995. This extension applies to all terms and conditions contained in the MOU. This extension is without prejudice to any changes which may be negotiated in the Uruguay Round covering trade in textile products.
3. The Government of Canada agreed to remove restraints for category 4.2 jackets and blazers (WGC) from Agreement Item No. 3/4a. In this respect, the Canadian authorities reserve their rights under the provisions of the Multi-Fibre Arrangement to take appropriate action in the event that future exports of textile and clothing products from Pakistan disrupt or threaten to disrupt the Canadian market.
4. The two delegations agreed that effective 1 January 1994, Annex I to this Agreed Record will replace Annex I of the MOU.
