**Sub-Committee on Trade of  
Least-Developed Countries  
Fifteenth Meeting  
7 November 1994**

**ANNOTATED PROVISIONAL AGENDA**

The following items are proposed for the Fifteenth Meeting of the Sub-Committee on Trade of Least-Developed Countries.

- (i) Possible measures of support for least-developed countries in future work of the World Trade Organization

The meeting of the Sub-Committee will provide contracting parties an opportunity to exchange preliminary views on possible measures of support for least-developed countries in future work of the WTO, in light of the Uruguay Round results for these countries. As a contribution to the discussions, the Secretariat has prepared two background notes identifying, within the Uruguay Round results, special provisions for developing countries at large (document COM.TD/W/510) and a synoptic table on the provisions in favour of least-developed countries specifically (document COM.TD/LLDC/W/54).

- (ii) Other matters
