**ASSESSMENT ON SLOVENIA OF ADDITIONAL CONTRIBUTION TO THE  
1994 BUDGET AND ADVANCE TO THE WORKING CAPITAL FUND**

Note by the Director-General

1. Upon the accession to the GATT of Slovenia on 30 October 1994 (documents L/7530, L/7536 and Let/1927), it is proposed that a pro-rata contribution to the 1994 budget amounting to Sw F 23,670 be assessed on this Government. This assessment, calculated as from 30 October 1994, is based on an annual contribution of 0.15 per cent, taking into account the foreign trade figures of Slovenia for the years 1991 -1993.
2. In conformity with the Rules governing the use of the Working Capital Fund, a government acceding to the General Agreement shall make an advance to the Working Capital Fund in accordance with the scale of contributions applicable to the budget of the year of its accession. The minimum advance to the Working Capital Fund amounts to 0.5 per cent of the principal of the Fund for countries whose share of the total trade of the contracting parties and associated governments is 0.5 per cent or less. Such advances shall be carried to the credit of the contracting parties which have made them.
3. On the basis of the level of the Working Capital Fund of Sw F 6,161,342 on 30 October 1994, it is proposed to assess an amount of Sw F 30,807 on the Government of Slovenia as an advance to the Fund.
