OF A PURELY FORMAL NATURE TO APPENDICES I TO IV OF THE

**Norway**

The following communication dated 10 November 1994, has been received from the delegation of Norway, with the request that it be circulated to the members of the Interim Committee on Government Procurement.

- 
1. The Directorate of Postal Services and the Directorate of Public Roads have changed their names to "Norway Post" and "Public Roads Administration" respectively.
  2. With reference to the above-mentioned Decision of the Interim Committee of 29 June 1994, the Norwegian delegation would like to add the following entity to Annex 1 of Appendix I of the Agreement on Government Procurement (1994):

The Directorate of Public Construction and Property (STATSBYGG).

We want to stress that Norway covers all central governmental entities under the Agreement and that our list of entities covered by the Agreement under Annex 1 of Appendix I, is not exhaustive. However, since the Directorate of Public Construction and Property is a major entity in the works sector, Norway considers it appropriate to list it in the Annex.
