ARTICLE XIX - ACTION BY CANADA

Boneless Beef Import Measures for 1993, 1994 and 1995

Addendum

The following joint communication, dated 6 December 1994, has been received from the Permanent Missions of Australia and Canada.

GATT document L/7219/Add.2 contains a communication from the Permanent Mission of Canada concerning action under GATT Article XIX in respect of boneless beef imports.

The Permanent Missions of Australia and Canada have agreed that their reciprocal rights and obligations under the General Agreement will be maintained for this purpose. The two delegations have further agreed that the time period set forth in Article XIX:3(a) within which Australia must notify any intention to suspend substantially equivalent concessions has been extended to 31 December 1994. The time period has been extended to this date since it is Canada's intention to terminate the action in question on 31 December 1994 upon implementation of its Uruguay Round commitments on beef and veal.
