The French delegation would also like to have price data in respect of certain articles for which it would be more difficult to list specific prices: toys, ball-bearings and heavy equipment for power stations. It should, however, be possible to compare prices, even in the case of such articles, if comparable items can be supplied by Japan and by other countries.

2. List submitted by the Italian delegation (also requesting the same information as given in Document W.7/29/Add.4, Table A)

Rayon
Staple fibre
Silk fabrics
Fabrics made of artificial textile fibres
Woollen fabrics
Fabrics made from mixed cotton and artificial textile fibres
Sewing machines
Microscopes
