WORKING PARTY ON RECTIFICATIONS

Submission of Proposals for Consideration  
by the Working Party

At the first meeting of the Working Party it appeared that several countries were considering the submission of lists of rectifications of Schedules to the General Agreement. It was therefore decided that all Delegations be informed that the next meeting will be held on the 13th May and that requests for rectifications should be forwarded to the Secretariat for circulation by the end of the current week in order to allow other delegations time for adequate examination.
