Trade Negotiations Committee

Subsidies and State-Trading Notifications

1. It will be recalled that, at its meeting on 19-21 June 1963, the Council of Representatives agreed, in accordance with the suggestion of the Executive Secretary (L/2015), that the most recent series of notifications on subsidies and State trading should be transmitted to the Trade Negotiations Committee.
2. Annexes I and II to this paper list the notifications which have been received with regard to subsidies and State trading respectively. Members of the Committee who wish to have additional copies of these notifications should address their request to the secretariat.
