## PARTICIPATION IN THE KENNEDY ROUND

### Notification by Chile

The following notification has been received from the Government of Chile.

---

In accordance with the Agreement adopted by the Trade Negotiations Committee on the 18 March 1965, concerning the participation of the less-developed countries in the trade negotiations and in connexion with your airgram, GATT/AIR/454, of 13 April 1965, I have the honour of informing you that I have received instructions from my Government to announce officially the participation of Chile in these negotiations.

My Government has also instructed me to inform you that this decision is based mainly on our wish to co-operate in the success of the objectives of the Kennedy Round. Moreover, that despite our present economic and financial situation which was brought to the attention of the CONTRACTING PARTIES in the recent discussion and approval of the request for the extension of the waiver, my Government is prepared to do all it can in drawing up a list of offers which will represent its contribution to the achievement of these objectives. In conformity with the resolution of the Trade Negotiations Committee, my Government will forward to you its list of offers before 1 August 1965.
