PARTICIPATION IN THE KENNEDY ROUND

Notification by Malta

The following notification has been received from the Government of Malta.

In accordance with GATT document TN.64/41/Rev.1 dated 18 March 1965, I would inform you that Malta wishes to participate in the trade negotiations in terms of the principles laid down in the Ministerial Resolution of 21 May 1963 and of the Conclusions embodied in the Ministerial Resolution of 6 May 1964.

It is noted that less-developed countries intending to participate are to express their readiness to table on 1 August 1965 a statement of the offers which they would make as a contribution to the objectives of the trade negotiations.

It is noted, moreover, that on 1 May 1965, participants in the trade negotiations may make suggestions as to the offers which participating less-developed countries might make as a contribution towards the overall objectives of the trade negotiations.

Whilst Malta is studying how and what suitable offers could be made, taking into account her present economic and financial difficulties, it would be a great help if any suggestions to be made on 1 May 1965 are notified to us so that we may be guided accordingly.

We would appreciate receiving all the documentation concerning this matter particularly the several lists and reports which are to be made available in terms of GATT TN.64/41 Rev.1.
