PARTICIPATION IN THE KENNEDY ROUND

Notification by Spain

The following notification has been received from the Government of Spain.

In accordance with the statement made by His Excellency the Minister for Trade, Don Alberto Ullastres, at the ministerial meeting on 4 May 1964, I have the honour of confirming that my Government is ready to participate in the present Trade Negotiations on the basis of a suitable balance of advantages and concessions, and not on the basis of strict reciprocity vis-à-vis industrialized countries, in conformity with the principles approved by the Ministers in their Resolution of 21 May 1963.

Accordingly my country will submit a selective offer within thirty days following the date agreed upon for the tabling of offers on agricultural products, according to the negotiating procedure adopted by the Trade Negotiations Committee for less-developed countries with a predominant interest in exports of agricultural products, as is the case of Spain.
