PRODUCTS NOT INCLUDED IN CHAPTERS 1-24
OF THE BRUSSELS NOMENCLATURE

Countries participating in the negotiations on the basis of the linear rule, in tabling their exceptions lists on 15 November 1964, submitted in some cases a list of products included in Chapters 25 to 99 of the Brussels Nomenclature which they considered should be dealt with in the negotiations on agricultural products and should not be subject to the linear rule.

The Committee on Agriculture, in agreement with the countries concerned, decided that a list of these products should be distributed. A comprehensive list of these products is appended.
